

## **MONASH ANAESTHESIA PRIMARY REVISION COURSE 2024**

**Venue: Advanced Paediatric Life Support, Education Centre  
Level 5, 505 Little Collins St, Melbourne  
Monday July 22 to Friday July 26, 2024**

This is an intensive 5-day course aimed at preparing candidates for the Aug/Oct 2024 ANZCA Primary Examination. The course is very practical and aimed at improving knowledge, understanding, organization and communication. Much of the teaching will occur in small groups doing viva and SAQ practice. Initially the topics will be forewarned but then derived from the whole syllabus. Participants **MUST** be sitting the exam in Aug/Oct 2024, as you will need to have good working knowledge to derive benefit from this course. There will be a practice SAQ and viva exam that you will be provided feedback on.

**The application form is below.**

### **Course tutors:**

Course tutors include past and present examiners, and staff from Monash Health, Peninsula Health, Alfred Health, and other Melbourne hospitals depending on availability.

**Course fee: AUS \$770**

**Course numbers are limited to 24-30 only, depending on faculty numbers.**

**Applications Open Oct 16th, 2023, please don't submit applications before this date.**

**Applications Close Dec 15th, 2023.**

**Please send application form via email to [noelvroberts@gmail.com](mailto:noelvroberts@gmail.com)**

You will receive a confirmation that your email has been received and subsequently an offer for a place if you are successful **after applications have closed**. Applicants that are offered a place will then receive payment details.

Upon notification of a place on the course the applicant has 7 days to complete payment. **If payment is not received the position will be offered to another applicant.** Do not send payment until your place has been confirmed.

The course is generally over-subscribed and thus will be balloted.
